# Notes to Catalogue 133

This month. I am again presenting my version of a January Sale. After all the spending excesses of the Christmas season, the last thing you need is a catalogue full of expensive rarities. So, here is a list of books, giving only title and author. There are no pictures, no online listings, no shopping cart system or other automated luxuries. But the result is these books can be offered at very low cost.

As most of you know, many books can now be found at low cost at various online book sites, but in almost every case, shipping is \$4.00-\$5.00 or more per book. The books on this list and the quantity prices include.

Last year, I listed a large number of books about Churchill's family and political acquaintances, in addition to the books by and about Churchill. Most of the sales were for books about Churchill, so in the past year I have donated nearly all of the peripheral books, so this catalogue has the biggest selection ever of books about Churchill.

## FREE SHIPPING IN USA

So compared to buying books one at a time elsewhere, it is like getting the books for free here.

The quantity discount schedule is as follows:

Type of book	1-4 books	5-19 books	20 or more
Hardcover	\$10.00	\$7.00	\$5.00
Trade paperback	\$5.00	\$4.00	\$3.00
Normal paperback	\$2.00	\$1.50	\$1.00

The different categories can be combined for quantity discount. So an order for 10 hardbacks, 8 trade paperbacks, and 2 paperbacks qualifies for the 20+ price on all of them. There are no descriptions of condition on these books. If I have multiple copies, the earliest order gets the best copy. Many of the books from the 1970s and 1980s are clean copies with dustjackets.

1. Orders can be placed by phone, email, or post. Email and phone are best as they still get through even if I am away.
2. The easiest is to simply send a list by number of all the books you would like. It will take me a little while to go through the stock and verify which are still available.
3. Payment can be by check in US\$'s, Sterling cheque, or by Visa or Mastercard. For credit card orders, please provide card number, expiry date, and the 3 digit security code found on the back by the signature.

The next catalogue will be new acquisitions.
