Notes to Catalogue 148

This catalogue is the liquidation of an extensive collection of Churchilliana in its many forms- Ceramic figures, bronze busts, glass paperweights, silver dishes, toby jugs, bronze figures, playing cards, collector plates, and even a few dressed dolls. This collection was shipped to me in a PODS container, as seen in the photo you may see at wscbooks.com.

Pricing on these items has come down considerable in the past few years. I have attempted in all cases to price this material for less than I see it going for elsewhere. This is not to say these are the lowest prices anywhere, as that is not possible to guarantee. Of the 140 items herein, about 100 of them are priced \$100.00 or less and at least 60 of them are \$50.00 or less.

Most of the ceramic items are in superb condition, so to avoid excess language, I only mention condition if there is a flaw. Those items with their boxes usually have some external wear or markings on the packages. Douglas Hall's THE BOOK OF CHURCHILLIANA, is now the standard reference and is mentioned constantly in this catalogue. Other references are to Ron Smith's 1989 book IMAGES OF GREATNESS, and to catalogues produced by Churchillbooks many years ago for collections of Messrs. Rivkin and Carmichael. I do still have a few signed copies of Hall's book left in stock at \$45.00.

The pictures in the printed catalogue are small. The download version at wscbooks.com allows for the pictures to be enlarged. I also have large detailed photos of all of the items that can be emailed on request.

Shipping is not included and can be complicated for some of the larger and more delicate items. The low cost book rate does not apply here. Payment can be by check in US's, Sterling cheque, Visa, Mastercard, or Paypal.. For credit card orders, please provide card number, expiry date, and the three extra digits on the back.

Besides all the Churchill material, this collection also included numerous Battle of Britain collector plates. I have at least 50 different plates, mostly Spitfires and Hurricanes, but a few with German planes or dogfight scenes. I am offering these at \$5.00 each. Here are some sample photos:
